### *Evolution Food Waste Disposer*

*The next generation of food waste disposers is here!  
The incomparable Evolution Excel™ food waste disposer is as stylish as it is capable, taking the art and science of food waste disposal to a new level. It handles more volume, more foods, and more challenges than anything that preceded it while cutting noise levels by at least 60% over standard disposers. Its three-stage grind technology allows you to grind almost any food waste!*

#### Features:

- \* *MultiGrind Plus™*
- \* *SoundSeal Plus™*
- \* *JamSensor Circuit™*
- \* 40oz. Stainless Steel Grind Chamber
- \* 1.0 HP *DuraDrive*® Induction Motor

By putting an *Evolution Excel™* disposer in your kitchen, you're doing your part to help reduce a growing problem. That's because when food waste is dumped in landfills, bacteria and other harmful organisms can seep into the ground and contaminate our water.

**Lunt Marymor has provided and installed many different food waste disposers.**

**The *Evolution Excel™* is our favorite!**

**There are food waste disposers for all needs and budgets, give us a call and let us help you find the ideal food waste disposer for your home!**
